Podatek 10
Država rezidentstva za davčne namene

Vpiše se država, v kateri ste rezident za davčne namene. To je država, v kateri ste zaradi svojega stalnega prebivališča, prebivališča ali drugega podobnega merila dolžni plačevati davke od vseh svojih dohodkov, ki jih dosežete kjerkoli na svetu. Rezident za davčne namene pa niste v državi, v kateri plačujete davke le zato, ker imajo ti dohodki vir v tej državi. Informacije o vašem rezidentstvu za davčne namene pridobite pri pristojnem davčnem organu (Finančni upravi Republike Slovenije oz. tujem davčnem organu).

Če ste rezident za davčne namene v dveh ali celo več državah članicah/jurisdikcijah, navedite davčno številko ter državo rezidentstva za vse države, katerih rezident za davčne namene ste.

Rezidentstvo za davčne namene je v davčnih predpisih držav običajno opredeljeno na podlagi določenih kriterijev. Posameznik je rezident v tisti državi, v kateri:

- ima prebivališče (države lahko pri tem pogoju v svojih zakonodajah razlikujejo oz. opredeljujejo več vrst prebivališč, kot je stalno, trenutno, formalno prijavljeno, dejansko itd.),
- je prisoten več kot 183 dni v davčnem letu ali katerenkoli obdobju dvanajstih mesecev,
- ima center življenjskih interesov oz. običajno prebivališče (v državi živi s svojo družino, ima zaposlitev ali druge ekonomske interese v državi ter druge pomembne vezi z državo – zavarovanje, bančni računi, interesne dejavnosti ipd., ki kažejo na to, da je njegov dejanski oz. primarni dom v tej državi).

Kadar izpolnjuje navedene pogoje v več državah hkrati, se lahko šteje tudi za rezidenta dveh ali več držav.

Podatek 11
Davčna številka države rezidentstva

Davčna številka oziroma identifikacijska številka davkoplačevalca oz. številka za davčne namene za vsako državo rezidentstva za davčne namene (v nadaljevanju: davčna številka).

Če ste rezident za davčne namene:

1. **v Republiki Sloveniji**, kot državo rezidentstva navedite Republiko Slovenijo, kot davčno številko pa navedite slovensko davčno številko;
2. **izven Republike Slovenije**, navedite državo rezidentstva za davčne namene in davčno številko, ki vam jo je izdala država rezidentstva za davčne namene (t. i. tujo davčno številko);
3. **v dveh ali celo več državah članicah/jurisdikcijah**, navedite davčno številko ter državo rezidentstva za vse države, katerih rezident za davčne namene ste.

Dodatne informacije o davčnih rezidentstvih in davčnih številkah so na 4. strani.

Podatek 12
Če tuje davčne številke ni na razpolago, označite razlog A ali B.

Če nimate davčne številke države rezidentstva (t. i. tuje davčne številke) za davčne namene, označite ustrezni razlog, naveden pod A ali B.

A – država ne izdaja davčne številke za svoje rezidente;

B – davčne številke ali enakovredne oznake ni mogoče pridobiti (razloge navedite v tabeli spodaj).

Instructions

Please note the following when completing the form:

Item 10
Country of residence for tax purposes

Enter the country in which you are resident for tax purposes. This is the country in which you are liable to pay taxes on all your income generated anywhere in the world because of your permanent residence, residence or any other similar criterion. You are not resident for tax purposes in a country in which you pay taxes only because you have a source of income in that country. Information on your residence for tax purposes is also available from the competent tax authority (Financial Administration of the Republic of Slovenia or a foreign tax authority).

If you are a resident for tax purposes in two or more Member States/jurisdictions, please indicate the Tax Identification Number and the country of residence for all countries of which you are a resident for tax purposes.

Residency for tax purposes is typically defined in the tax regulations of countries on the basis of certain criteria. An individual is a resident of the country, in which he:

- has a place of residence (countries may differentiate or define several types of residence in their legislations, such as permanent, current, formally registered, actual etc.);
- is present for more than 183 days in a tax year or any period of twelve months;
- has the centre of his vital interests or his usual place of residence (he lives in that country with his family, has employment or other economic interests in this country, and other important ties to this country – insurance, bank accounts, general activities etc., indicating that this country is his actual or primary home).

When he meets the stated criteria in several countries at the same time, he may be considered resident of two or more countries.

Item 11
Tax Identification Number of the country of residence

Tax Identification Number – taxpayer's identification number or number for tax purposes for every country of residence for tax purposes (hereinafter: Tax Identification Number).

If you are resident for tax purposes:

1. **in the Republic of Slovenia**, indicate the Republic of Slovenia as the country of residence and the Slovenian Tax Identification Number as the Tax Identification Number;
2. **outside the Republic of Slovenia**, indicate the country of residence for tax purposes and the Tax Identification Number issued by the country of residence for tax purposes (the so-called Tax Identification Number in a foreign country);
3. **in two or even more Member States/jurisdictions**, please indicate the Tax Identification Number and the country of residence for all countries of which you are tax resident.

For more information on tax residencies and tax numbers, see page 4.

Item 12
If foreign Tax Identification Number is not available, mark reason A or B.

If Tax Identification Number is unavailable (the so-called Tax Identification Number in a foreign country), please provide appropriate reason A or B:

A – The country does not issue Tax Identification Numbers to its residents.

B – The Tax Identification Number or its functional equivalent cannot be obtained (please explain why in table below).
