

Documents required for subscription of shares:

Residents of the Republic of Slovenia

Natural person (of age):

- Valid personal identification document (passport, personal ID card)
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number

Legal representative (parent or custodian) for a child under 15 years of age:

- Original copy from the Birth Register (for inspection)
- Valid personal identification document of the parent/custodian and the child (if the latter has one)
- Original copy of the Social Work Centre on custody, if the subscription is made by the custodian (for inspection)
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the child

Legal representative (parent or custodian) for a child between 15 and 18 years of age:

- The child must be present when subscribing shares
- Original copy from the Birth Register (for inspection)
- Valid personal identification document of the parent/custodian and the child (if the latter has one)
- Original copy of the Social Work Centre on custody, if the subscription is made by the custodian (for inspection)
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the child

Authorised person for a natural person of age:

- Original authorisation, certified by a Notary Public or an Administrative Unit (for delivery)
- Valid personal identification document (passport, personal ID card) of the authorised person and the issuer of authorisation
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the issuer of authorisation

Legal representative for a natural person of age:

- Original copy of the Social Work Centre on legal representation (for inspection)
- Valid identification document (personal ID card or passport) of the legal representative and the natural person of age (if the latter has one)
- Original copy from the Birth Register of the natural person of age (if the natural person of age does not have a valid personal ID) (for inspection)
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the natural person of age

Legal entity:

- Original copy from the Slovenian Business Register certified by a Slovene Notary Public or by AJPES (Agency of the Republic of Slovenia for Public Legal Records and Related Services), which may not be older than 3 months (for delivery)
- Original authorisation of the issuer of authorisation, certified by a Notary Public or an administrative unit, if the shares are subscribed by an authorised person and not by the legal representative of the company, as evident from the copy from the Business Register (for delivery)
- Valid ID of the legal representative or the person authorised by the company
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the legal person

Independent Entrepreneur:

- Original copy from the Slovenian Business Register certified by a Slovene Notary Public or by AJPES (Agency of the Republic of Slovenia for Public Legal Records and Related Services), which may not be older than 3 months (for delivery)
- Original authorisation of the issuer of authorisation, certified by a Notary Public or an administrative unit, if the shares are subscribed by an authorised person and not by the legal representative of the company, as evident from the copy from the Business Register (for delivery)
- Valid ID of the legal representative or the person authorised by the independent entrepreneur
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Tax number of the independent entrepreneur

Non-residents of the Republic of Slovenia

Natural person:

- Valid personal identification document (passport)
- Number of the transaction account (resident or non-resident) to which the NLB will execute potential reimbursement of money
- Slovene tax number (optional)
- KID code (natural person, non-resident of the Republic of Slovenia, obtains it from KDD) or eventual unique PIN (in Slovene: EMŠO)

Authorised person for a natural person:

- Original authorisation certified by a Slovene Notary Public or by a Slovene administrative unit or by another body, whose certification is, pursuant to the applicable Slovene regulations, equal to the certification by a Slovene Notary Public. Authorisation must be in the Slovene language (otherwise, a certified translation into the Slovene language must be attached) (for delivery)
- Valid personal identification document (passport, personal ID card) of the authorised person and the issuer of authorisation
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Slovene tax number of the issuer of authorisation (optional)

Legal entity:

- Original copy from the Business Register or another register, managed by an institution competent for registration of companies which must be certified by such institution, and which may not be older than 3 months, and which clearly states the legal representative(s) who signed the authorisation specified below (in the second item of this paragraph), together with a certified translation into the Slovene language (for delivery)
- Original authorisation, certified by a Slovene Notary Public or by a Slovene administrative unit or by another body, whose certification is, pursuant to the applicable Slovene regulations, equal to the certification by a Slovene Notary Public. Authorisation must be in the Slovene language (otherwise, a certified translation into the Slovene language must be attached), if shares are subscribed by the authorised person and not the legal representative (for delivery)
- Valid ID of the legal representative or the authorised person
- Number of the transaction account to which the NLB will execute potential reimbursement of money
- Slovene tax number (optional)
- KID code (legal person, non-resident of the Republic of Slovenia, obtains it from KDD) or eventual Slovene identification number (in Slovene: matična številka)
